

New Office for iLen Chengdu Branch

In April, iLen Chengdu Branch moved to a new office with all-new decor. A lively relocation ceremony was held for all Chengdu employees by General Manager Anderson and Operations Manager Windy to celebrate the company's new premises.

iLen Chengdu Branch opened in 2010. It grew from humble beginnings to become a successful branch of the wider iLen family. The actual office has changed several times, but this new location is still near to the center and conveniently accessible. The office size has nearly doubled and offers much better views. During breaks, employees can enjoy the outside scenery while standing on the balcony. The decor is modest, warm and functional. The inclusion of plants helps to bring nature inside. The iLen story and our goals will now continue in this new location. We are excited to start this new chapter in our history.

E-Reading Device Donations, Helping to Promote Literacy and Culture in The Zang District

For Children's Day, children in Huoxi Township Primary School in Sertar County, Garze Tibetan Autonomous Prefecture, Szechwan Province, received gifts from iLen again: 20 e-reading devices. With scarce teaching resources, the children in these rural areas have difficulties learning Chinese and the Chinese teachers struggle with their jobs. With this in mind, we purchased and donated the e-reading devices in the hope of building a better environment for learning Chinese, as well as building enthusiasm among the children. Donations and funds were raised by iLen and its employees.

Language is vital for passing on culture and heritage, from generation to generation. iLen is eager to support education in the zang district with practical actions and to promote language learning as we break down cultural barriers.

Dragon Boat Festival Celebrations

The Dragon Boat Festival arrived with the scent of leaves for zongzi filling the air. On the eve of the festival, iLen prepared various kinds of zongzi: sweet ones, salty ones, ones with meat, ones with bean paste, etc. Whether from south or north China, all employees were able to find a familiar flavor. To pick out their favorite flavor, all colleagues studied, smelled, asked and touched and tasted samples until they could choose a favorite. It proved to be a fun and joyous festival.

iLen employees from all over the country came to share in the celebrations as one big family. Because we cannot always be together with our families far away, festivals like this provide happy memories to cherish forever!
