

Celebrating the Opening of iLen Changsha Branch

On February 22, 2016, iLen Changsha branch was officially opened after much planning, becoming iLen's second branch after iLen Chengdu branch. Our General Manager Anderson and Operations Manager Windy travelled to Changsha and attended the opening ceremony.

Changsha is the provincial capital of Hunan province. As one of China's oldest cities, Changsha is famous for its long history and culture. It is also known for its many colleges and universities. By choosing Changsha, iLen aims take advantage of the local talent and continue to provide quality services for our customers.

iLen Changsha branch is located in the CBD of Changsha with convenient transportation. By creating a comfortable working environment for all colleagues, we hope our employees can enjoy a great career in Changsha, the happiest city in China.

Celebrating our Role Models

At iLen's Annual Awards Ceremony, the "Top Performers" medals were handed out to Jerry, Cherry and Sammi by General Manager Anderson and Operations Manager Windy. Tracy, Nicole and Sara won the "Greatest Progress" awards. Dream, Carol, Stacey and Keith were also nominated by virtue of their outstanding performances, so the competition was extremely fierce this year. This year's winners show us all what it means to be professional, persevering, studious, observant and motivated. They were iLen's top performers in 2015 and are therefore role models for all our employees.

We were pleased to see that this year's winners included not only old faces but also newcomers. We hope that these role models will encourage every employee in their efforts in 2016!

At Chengdu's Year-End Party, our colleagues performed a costume drama called "Judge Bao settling a lawsuit," which was written, directed and acted by themselves. The characters in this drama were very vivid, including the subversive Judge Bao and the stunning Sister Feng. The enthusiastic employees broadcast the party live via WeChat to share with their colleagues in Shenzhen, narrowing the distance between us.

The Year-End Party is an annual event for the iLen family. We gather together to share delicious food, watch shows and draw prizes. Events like these help us to grow together and celebrate the past year's successes and the promise of the years to come.

Celebrating the New Year

To celebrate Chinese New Year, iLen Shenzhen headquarters and iLen Chengdu branch held their Year-End Parties. At Shenzhen's Year-End Party, employees from the Language Department lit up the stage with a "Chicken Dance" and gave an encore performance at the request of the audience. In a parody of the "Generation Show," employees and their families imitated some well-known celebrities and classic roles of each generation. The audience were in fits of laughter and the atmosphere was fantastic.
